

Jade Sea Journeys was initially, as the name implies, specialized in safaris on and around “The Jade Sea” better known as Lake Turkana. Today we also arrange quality safaris in different countries of East Africa and Ethiopia.

We operate an extensive and versatile fleet of safari vehicles catering as well for bigger groups as for a more intimate safari experience. With our fleet of eight powerboats and several camps we are highly specialized in Lake Turkana and Omo River ecosystem.

Under our umbrella, we have something for everyone, safaris in and around Lake Turkana “the cradle of mankind”, Omo River region, budget camping and lodge safaris, Luxury Tented Camps and Lodge safaris.
